• Surgery, Cosmetic/Reconstructive

Widely recognized as an expert in facial plastic and reconstructive surgery, Dr. Marc Zimbler is one of New York's leading aesthetic surgeons. Limiting his practice to only the face, Dr. Zimbler specializes in short-scar facelifts, rhinoplasty, and cosmetic eyelid surgery. Stressing a philosophy of subtle cosmetic enhancement rather than dramatic changes, Dr. Zimbler employs minimally invasive techniques to produce natural and long-lasting results. For more than a decade at Beth Israel Medical Center, Dr. Zimbler has served as the director of facial plastic surgery. Dual-board-certified, Dr. Zimbler is a diplomat of the American Board of Facial Plastic and Reconstructive Surgery and is a Fellow of the American College of Surgeons.
